

**Route Lovina – Singaraja - Air Sanih -Tembok – Songan – Batur Lake
- Pura Jati Batur – Kintamani – Kubutambahan – Singaraja - Lovina**

The route goes from Lovina to Singaraja and then via Air Sanih and Tembok to take the road to Batur Lake. The quality of the road is good. it is a road that goes uphill with many turns. It shows a beautiful overview of the Agung volcano that extends to the ocean. The advice is not to take this road with two people on 1 motor scooter.

**The distance is approximately 140 kilometres
Duration is approximately 5 hours, including viewing, coffee and food.**
